The Honorable Kay Granger
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for "Robotic Assisted Surgery Program for Hip and Knee Replacement Procedures" in fiscal year 2023.

The entity to receive funding for this project is Long Island Jewish Forest Hills, located at 102-01 66th Road, Forest Hills, NY 11375.

The funding would be used to bring Robotic Assisted Orthopedic Surgery to NY-06. This project will enable Long Island Jewish to acquire the Mako technology, modernize the operating room to meet the needs of the technology, and to train surgeons and staff to safely operate on the new technology.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Grace Meng
Member of Congress
