The Honorable Kay Granger
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the "Long Island Rail Road (LIRR) Forest Hills Platform Extensions & Elevators Project" in fiscal year 2023.

The entity to receive funding for this project is the Metropolitan Transportation Authority, located at 2 Broadway Ave., New York, NY 10004.

The funding would be used to address the state of good repair needs and accessibility improvements at the Forest Hills station on the LIRR Main Line, including new elevators, extension of the platform length to accommodate 12-car trains, and other station improvements. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Grace Meng
Member of Congress
