Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request funding for the Queensborough Artificial Intelligence Workforce and Faculty Innovation Initiative (Queens, New York, Sixth Congressional District) project in fiscal year 2027. The entity to receive funding for this project is the Research Foundation of CUNY, located at 231 West 41st Street, New York, NY 10036. The funding would be used to provide technology, equipment, student programming, and faculty professional development to support the new Jackson and Muriel Lum Artificial Intelligence Hub at Queensborough Community College, CUNY.

The project is an appropriate use of taxpayer funds because the Artificial Intelligence Hub will serve as a center for research, applied learning, and teaching at Queensborough Community College.

The project has a federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Grace Meng".
