Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request funding for the FDNY Engine 299 Renovation (Queens, New York, Sixth Congressional District) project in Fiscal Year 2027. The entity to receive funding for this project is the New York City Fire Department (FDNY) located at 9 MetroTech Center, Brooklyn, NY 11201. This funding would be used to replace the outdated and inoperable windows in Engine 299. This will help properly secure and ventilate the firehouse as well as preserve HVAC efficiency.

The project is an appropriate use of taxpayer funds because the capital improvements will ensure that members of the FDNY are able to respond to emergencies and support the community quickly and safely.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Grace Meng".
