Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request funding for the Pomonok Houses Safety and Security Infrastructure (Queens, New York, Sixth Congressional District) project in fiscal year 2024. The entity to receive funding for this project is the New York City Housing Authority (NYCHA), located at 90 Church Street, 10th Floor, New York, NY 10007. The funding would be used to support upgrades to security at the NYCHA Pomonok Houses, including the installation of CCTV cameras, a layered access entrance system, a storefront entrance, an intercom system, and interior and/or exterior lighting around building entrances.

The project is an appropriate use of taxpayer funds because it will directly increase the safety and security for the residents at Pomonok Houses.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and/or 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Grace Meng".
