Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request funding for the Public Safety and Emergency Management - Mobile Command Center (MCC) (Queens, New York, Sixth Congressional District) project in fiscal year 2026. The entity to receive funding for this project is the New York City Police Department, located at One Police Plaza, Legal Bureau, Room 1406, New York, NY 10038. The funding would be used to purchase a Mobile Command Center and outfit it with mission critical and life-safety technology capabilities.

The project is an appropriate use of taxpayer funds because the Mobile Command Center will be utilized to respond to major incidents requiring connectivity between the NYPD and relevant emergency response entities. The Mobile Command Center will have the ability to respond to and support a variety of incident scenes and large-scale events.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace Meng
Member of Congress
