Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request funding for the Queensborough Community College Childcare Center (Queens, New York, Sixth Congressional District) project in fiscal year 2026. The entity to receive funding for this project is Queensborough Community College located at 222-05 56th Avenue Bayside, NY 11364. The funding would be used to create an on-campus childcare center.

The project is an appropriate use of taxpayer funds because it will create a childcare center to help ensure that students, faculty, staff, and the community have access to high-quality childcare development opportunities.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace Meng
Member of Congress
