Dear Chairwoman Granger and Ranking Member DeLauro,

I respectfully request funding for the NYCHA Pomonok Houses Capital Revitalization (Queens, New York, New York, Sixth Congressional District) project in fiscal year 2024. The entity to receive funding for this project is Fund for Public Housing, Inc., located at 90 Church Street, 10th Floor, New York, NY 10007. The funding would be used for the construction of a community-backed, outdoor play space for children in New York City Housing Authority's (NYCHA) Pomonok Houses.

The project is an appropriate use of taxpayer funds because it will transform a blighted space to activate a public space creating a sense of safety and community inclusivity.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Grace Meng
Member of Congress
